Following places do receive points following the system.

* Athletes placed 1st to 18th according to penalties and time combined over two rounds of the Mercedes-Benz Nations' Cup do not receive points, as they are automatically qualified for the Rolex Grand Prix. Points for athletes placed 19th and below are only awarded in case an athlete competes in both rounds of the Mercedes-Benz Nations' Cup.

** only those athletes will receive points who do not start in the Mercedes-Benz Nations' Cup and those who do not take part in the 2nd round of the Mercedes-Benz Nations' Cup.

All athletes not already prequalified according to the FEI rules have 2 chances to qualify for the Rolex Grand Prix.

In case of equality of points the best placing in any of the qualifying competitions will be decisive. In case one of the qualified riders will not start, a substitution by the next placed rider is possible until the latest two hours before the competition. After that the place will remain vacant.
